

Safety Day 2025: Learning, Awareness, and Team Participation

 UAM PHILIPPINES, INC.

DECEMBER 18, 2025

Safety Day 2025 was celebrated with enthusiasm and active participation, bringing together employees to reinforce the importance of workplace safety while fostering teamwork and awareness.

the importance of safety in a fun and engaging manner. Employees were pre-selected to take part in the game, ensuring balanced representation across teams. Participants worked closely with their teammates, applying safety knowledge and supporting one another throughout the activity. The game created a positive and energetic atmosphere while highlighting the value of teamwork in maintaining a safe workplace, serving

The event began with a brief welcome and introduction, setting the tone for the day and highlighting the significance of safety in daily operations. Following this, the Head of Safety at UPI addressed the attendees, sharing the overall number of incidents reported in December. Along with these statistics, a simple but powerful message emphasized the collective responsibility of every employee in creating a safe and secure work environment.

Spark Moments: Building Bonds Through Fun and Engaging Safety Games

One of the highlights of the day was the Kaizen safety awards, where employees who contributed innovative safety improvement ideas were recognized and celebrated. This reinforced the culture of continuous improvement and proactive engagement.

As part of Safety Day 2025, the safety committee arranged an interactive safety game aimed at promoting awareness and teamwork among employees. The activity encouraged active participation while reinforcing

as a meaningful reminder that safety is a shared responsibility built through cooperation and collective effort.
