

UAM Philippines Inc.

Year End Party 2024

As part of the festivities, UAM Philippines Inc. held an exciting raffle draw, with two lucky employees walking away with brand-new Yamaha Mio motorcycles. The winners were thrilled to receive their prizes, adding an extra spark of excitement to the Year-End Party. These prizes served as a token of appreciation for their hard work and dedication throughout the year, making the celebration even more memorable. The joy and excitement on the faces of the winners were evident as they took center stage to accept their prizes. It was a moment that brought the entire team closer together, sharing in the excitement and celebrating the strong camaraderie within the company.

As 2024 draws to a close, UAM Philippines Inc. marks the end of a successful year with a vibrant and unforgettable Year-End Party. The event brought together employees from all departments to reflect on the company's achievements, strengthen bonds, and celebrate the hard work that made this year truly exceptional.

Held at a premier venue, the party featured exciting performances, delicious food, and engaging activities designed to foster team spirit and camaraderie. Highlights of the event included the awarding of top performers, fun games, and a lively dance-off, which showcased the talents and enthusiasm of the UAM family. Employees had the chance to unwind, connect with colleagues, and take part in a raffle draw filled with great prizes.

The Year-End Party also served as an opportunity for the leadership team to express their heartfelt gratitude to the staff for their dedication and contributions throughout the year. As UAM Philippines Inc. looks forward to an even brighter 2025, the party was a perfect way to close out the year with joy, laughter, and a sense of unity. It was not just a celebration of achievements, but also a reaffirmation of the strong bond between the leadership and staff, and a reminder of the shared goals and vision that will continue to drive the company forward in the years to come.
